Knowing where to go and who to contact before, during, and after an emergency or disaster can make a big difference. This template seeks to give you a head start in planning for your family. Other important considerations are the location and construction of your home, workplace, or school. For more information visit our website at www.greenecounty.arkansas.gov/departments/office-of-emergency-management or check the Emergency/911 pages in the front of your phone book.
