Growth and expansion of Economic Development bleeding into Greene County is the goal.

Lance Blythe from County Extension discussed the proposal for an additional agent for FCS. Justice Allen Davis spoke on behalf of County Extension and how this is a needed position and should definitely be in consideration since they have not had that position in so many years.

Justice Ronnie Roberts made a motion and Justice Kirk Brinkley seconded to approve the request for the \$116,000 to be moved from the Circuit Court Recorder's fund to the County General fund. All in favor, none opposed. Passed to be presented to the full Quorum Court.
